As we still embrace summer, we are preparing for our official Fall Session. With a new academic school year approaching, many children will be moving to new classrooms in the fall. Please look for a transfer form in your child's folder in the next couple of weeks to see where their new classroom will be for the new school year. Feel free to discuss with your child's classroom or admin if you have thoughts or questions. We will begin our training process two weeks prior to the transition to foster healthy connections with caregivers and classmates. As always, we look forward to creative opportunities for inquiring minds.

*Parents Night out - Hawaiian Luau August 18

On Friday, August 18th, we will be open from 6:00 PM-10:00 PM. We invite you to have an evening out or in; knowing that your children are being cared for by trusted teachers in their comfortable surroundings. Go have dinner, see a movie or enjoy some time together! The evening includes snacks, an interactive dinner and a festive dessert. Once full and comfortable, the children will be invited to begin the activity of the evening. At 8:30 PM a comfy, cozy room, with a movie, will be available for anyone who is sleepy. *To hold the event, 10 children must be signed up.

Tuition Increase

As our new school year officially begins, there will be a minimal tuition increase for all classrooms. Please see updated rates above. This increase assists us in maintaining the highest quality & on-going philosophy enhancements that Precious Memories is proud to offer their families.

August Curriculum Enhancements: Confidence

Self-confidence is your own evaluation of your ability to sufficiently respond to and manage life's challenges. It can be natural and enhanced through patience, leading you to greater levels of accomplishment and an overall satisfaction in life. Self-confidence is directly connected to our self-value. It's the idea in which we have about ourselves and just how important and valuable we believe ourselves to be. It is how we all build respect for ourselves.

It's time to get in touch with nature, grab your flash lights and raise the tents, come join us for a week of outdoor living. We look forward to exploring nature through animals and woods. Let's walk the trails and learn about the woods and what we find.

August 14-18: Pirate Adventures

Yo Ho Yo Ho, a pirates life for me, join us for some exciting Pirate themed fun. We'll go on a treasure hunt, sail away on a pirate ship, make telescopes to search for islands to explore. Don't forget, making pirate hats and eye patches to complete our theme.

August 21-25: Under the Big Top Carnival

This week tops off the end of our summer with a fun week of playing carnival games, lots of special snacks that you would find at the big top! We will learn about carnival life by making fun crafts, and decorating our rooms, building carnival games and enjoying creative play.

As stated in the PMP handbook we will be closed Monday September 4th, and reopen Tuesday September 5th in observance of Labor Day. We hope all of our PMP families have a safe family filled weekend as we honor the contributions workers have made to the strength, prosperity, and well-being of our country.
